New Seaquaria systems currently under construction (2007-2008):

L'École Marigold Elementary School (Victoria, SD 61)
 St. Michael's University Middle School (SMUS) (Victoria, Independent School)
 Victoria High School (Victoria, SD 61)
 Frances Kelsey Secondary School (Mill Bay/Cowichan, SD 79)

Repeat Participants: 14 repeat participants (schools, currently reaching more than 7000 students, their families & teachers, directly or indirectly, over the last two to nine years). To date, no schools have withdrawn from the program, even when the original sponsor teacher has left.

Demand for Program: New schools have joined the program every year since it was initiated. We are not always able to keep up with demand due to limited human and financial resources.

¹ **NOTE:** Teachers from other schools are currently seeking support for *Seaquaria* programs. These include: Belmont Secondary School (SD 62), Bowen Island School (SD 45), Brentwood Bay Elementary School (SD 63), Deep Cove Elementary School (SD 63), Frank Hobbs Elementary School (SD 61), Glenlyon Norfolk School (Independent School, Victoria BC), Gordon Head Middle School (SD 61) and Rockheights Middle School (SD 61)
